Letter from **Mon. John Minor Botts,**
Virginia.
Richmond, July 9th, 1855
Messrs. Wm. S. BAKER & CO.,

Without being disposed, or deeming it necessary, to
 into the particulars of the case, I can say that the as-
 taling results that have been produced by that motion
 on a number of my own family, and under my own ob-
 vation and superintendence, after the skill of the best
 physicians had been exhausted, and all the usual remedies
 failed, fully justify me in recommending it to be at-
 tempted in all cases of the kind.

I do not mean to say that it is adapted to all conditions, or that it will afford the same relief in all cases; of course, I can know nothing about that—but from what I have seen of the effects, I would not hesitate to use it in any and every case of Neuralgia, with persons for whom I felt an interest, or over whom I could exercise influence or control.

Respectfully yours,
JNO W BOOTS
